

# Program

## Education and Not-for-Profit Training Day

- 8:00 am ● **Registrations open** | Light breakfast
- 9:00 am ● **Welcome** | Damien Pozza, Nexia Edwards Marshall
- 9:15 am ● **No plan survives first contact with the enemy...** | Cerri Morgan, Digital Resilience  
Every organisation faces the prospect of a major cyber incident, but preparation can make all the difference. This session explores how simulation exercises help you plan proactively, clarify roles and decision-making, and communicate effectively with stakeholders as an attack unfolds - along with practical actions to strengthen your readiness to respond and recover.
- 10:00 am ● **Leading Across Generations: Navigating the Real Tensions** | Alice Hanna, Pique Global  
Every generation brings real differences to how they experience work. Leaders also bring assumptions about what those differences mean. This session lives in the tension between the two: working through the dilemmas you're actually facing, and how to respond without losing standards or people in the process.
- 11:00 am ● **Morning tea**
- 11:30 am ● **Economic Update** | Nick Costello, JB Were  
This session will provide you with an economic and market update, and how this may impact your organisation.
- 12:15 pm ● **Audit hot topics** | Jamie Dreckow, Nexia Edwards Marshall  
This session will assist you in understanding the most common audit issues in preparation for your upcoming audits.
