

Audit and Assurance

Delivering quality audit and assurance

We know that every business is unique, with its own set of challenges and goals. That's why, at Nexia Edwards Marshall, we take a personalised approach to our services. Your dedicated, partner-led team will work closely with you to understand your operations and tailor a service plan that best suits your needs, addresses your risks, and meets all statutory requirements.

Our approach emphasises communication and risk assessment throughout the audit process. We go beyond a typical external audit by focusing on areas specific to your business and data mining techniques to gain a deeper understanding of your operations.

We're committed to providing a high-quality service and continuous monitoring to ensure that our service plan meets your requirements.
