

Government

More than just advice

The government (and public service) sector is vital for providing communities with policies, infrastructure, services and the resources necessary to drive development and improve quality of life.

Nexia Edwards Marshall understands the dynamic challenges faced by the sector, including an increasing demand for accountability and transparency, positive returns on investment, strong community relationships, efficient policy integration and effective performance management.

Our team of experienced government sector specialists will help your organisation overcome these challenges, equipping you with the insights, knowledge and tools required to help you navigate the dynamic political environment while meeting community demands and expectations.

At Nexia Edwards Marshall, we're committed to guiding organisations and departments like yours to reach their full potential through effective business strategising and internal controls.

Empowering you to always be ready for what's next

At Nexia Edwards Marshall, we understand the importance of clarity, accountability, and performance across the government sector. This is why we're here to offer clear and concise advice. To help you and your department maintain efficient processes and systems, transparent financial reports and comprehensive audits.

Our approach involves asking the right questions, actively listening, and conducting a thorough analysis to uncover overlooked opportunities.

Our carefully integrated suite of services, encompassing taxation, superannuation, business advisory, and audit, provides comprehensive support to help you meet your statutory obligations and empower you to focus on improving communities and what's really important.

Who we are

Nexia Edwards Marshall are your dedicated personal and finance business partner. We're a leading accounting and advisory firm with decades of experience offering a suite of integrated and tailored solutions for clients across a range of sectors.

Leveraging a global network of over 600 offices spanning 120 countries, our team has the local skills, national depth and global reach, and overall experience to help you achieve your goals, whether they're profit-focused or compliance-focused.

We have developed structures and processes to deliver fast, flexible, and more cost-effective solutions to the government sector, helping you to achieve efficiencies and maximise opportunities.

Why Nexia Edwards Marshall
