

Forensic Accounting

Decisions that shape your future

Disputes, whether big or small, can become a reality. At Nexia Edwards Marshall, we recognise the challenges associated with successfully navigating the complexities of financial regulations and laws when disputes arise.

Our Forensic Accountants are specialists in the provision of accounting expert witness services, consulting expert services, and valuation services, such as business and equity valuation opinions, for commercial in family law disputes.

We pride ourselves on delivering expert, objective, well-reasoned and logical advice. We help you confidently navigate financial disputes and provide quality opinions based on sound analysis.

Empowering you with clarity and insight

At Nexia Edwards Marshall, we're experienced in analysing and navigating complex information to enable parties to understand key financial and accounting issues.

We have a proven track record of presenting expert evidence before courts and tribunals and in mediation/settlement proceedings. Our team bring extensive business experience and diverse skill sets to examine financial matters and seek to establish the facts, regardless of the complexity.

Our Forensic Accounting specialists are dedicated to responding to your objectives with clarity and transparency, instilling confidence in legal counsel that our expert opinions will withstand the rigours of cross-examination.

Whether the matter involves a matrimonial breakdown, business or share acquisition, or assessment of economic loss, you can rely on us for personalised solutions to safeguard your economic interests and inject confidence in your financial future.

Who we are
