

Working together with First Nations People

Our commitment to Country and Culture

We acknowledge the Traditional Custodians of the lands and waters across Australia and recognise their enduring spiritual and cultural connection to Country and pay our deepest respects to Elders past and present. We also extend this respect to all Aboriginal and Torres Strait Islander Peoples, and to future generations.

We believe that a strong, self-determined First Nations economy is vital to building sustainable, independent communities. Economic empowerment, cultural prosperity, and the creation of intergenerational wealth are key outcomes we strive to support.
